We are looking for students who want to join our team!

Why should I participate?

1. Joy!
2. Project experience.
3. Learning how to collaborate with others on a tight schedule.
4. Applying theories from lectures to practical problems.
5. Solving hardware issues.
6. Solving software issues.
7. Earning credits for a project course or Bachelor and Master theses (where applicable).
8. Competing with other universities.
9. Being the first non-German team that wins! ☺
